

MBE2658SEM mikrovalovna pečica

Veè razliènih možnosti za kuhanje v vaši kuhinji

Mikrovalovna pečica odlično dopolnjuje vašo tradicionalno pečico. Zagotavlja veè razliènih možnosti za kuhanje ter dodatno prostornino pečice.

All it takes is a touch to open the microwave

The microwave oven has been designed with an electronic, touch-activated door. This means that it opens with just a tap. Providing quick and convenient access to what is inside.

Instant access to customised functions

Frequently used microwave settings can be saved and accessed quickly with the favourite functions. Once a customised programme has been set, simply activate it via the star-shaped icon. No need to remember the exact settings each time. It's convenience, at a touch.

Prednosti izdelka:

- The sleek design of the microwave ensures that cleaning is quick and convenient.
- Frozen food is thawed quickly in the microwave with the defrost function.

Značilnosti:

- Načini kuhanja: mikrovalovi
- Samodejno izbiranje programov odtaljevanja glede na težo
