Tihe povratne informacije, Beam on Floor

Zaradi osvetljenega sistema povratnih informacij Beam on Floor ostane kuhinja tiha. Namesto glasnega piska, ki ga lahko zaduši hrup iz ozadja, naš pomivalni stroj sporoči stanje s projiciranjem pike na tla. Rdečo, ko deluje, in zeleno, ko je pomivanje končano.

Complete coverage with SatelliteClean®

Your dishes will come out spotless with SatelliteClean®, performing up to three-times better than the standard. Thanks to the double-rotating arm that continuously changes the angle of the spray, even bulky items are deeply cleaned.
