

Your everyday, washed with care

The 600 top-loader washing machine with SensiCare system adjusts the length of the programme to match the size of your load. It uses the right amount of water, time and energy to deliver the perfect care to laundry, whatever the size of the load. Clothes look good for twice as long.

Prednosti in značilnosti

SensiCare System - Customised care in a shorter time

Our SensiCare System weighs each load and automatically adjusts the cycle, so that your clothes are cleaned for just the right amount of time. Preventing over washing and ensuring items retain their look and feel for longer.

Retain freshness with SoftPlus

Laundry feels soft and smells fresh for longer with the SoftPlus programme. It soaks and evenly distributes fabric softener before the final rinse, so all your clothing is perfectly cared for.

Save energy with Eco TimeManager

Enjoy energy-efficient washes with the Eco TimeManager option. Save resources by tailoring the length of washes to suit you, without having to compromise on quality. Clothes are cleaned carefully and efficiently.

Refresh with our Anti-Allergy programme

Our high-performance Anti-Allergy programme works hard to remove irritants from your laundry, combining a wash cycle and steam to gently and deeply reach every fibre.

Woolmark Blue-certified cycle

Machine wash your woollens with total peace of mind, using our Woolmark Blue-certified cycle. It launders with the gentle and measured care of a hand wash. So garments keep their shape and softness, meaning you can enjoy your favourite items for longer.
